** notice from SKC:Scottish Kennel Club Championship Show Extravaganza October 2nd 2021

The Scottish Kennel Club are delighted to announce that we have received permission from the Kennel Club to hold a double Championship Show from 30th September - 3rd October 2021.

Both our postponed May Show & October Show will now be held in tandem over four days, with the majority of breeds now having two sets of CC's on the same day, along with the chance to compete in two groups.

The majority of breeds will be judged back to back, ie May 21 followed by October 21. Any breeds that are too large numerically will have two rings, with May judging in one ring (dogs followed by bitches) & October judging in the adjacent ring (bitches followed by dogs).

Each day will finish with the May & October Group judging & BIS for both shows held on the Sunday.

All judging will be held inside the warm exhibition halls.

We greatly look forward to welcoming everyone for this special weekend of shows. Further information & updates will be published on the SKC/Higham Press websites.

Best Regards Stuart Payne Convener
